

We have the resources to match you with top talent.

The myOrthoRecruiter team focuses solely on orthopedic recruitment and specializes in finding surgeons as well as experienced advanced practice providers for private practices, regional and national health systems.

About Us

myOrthoRecruiter launched in 2021, under the already established brand of myMDRecruiter. myMDRecruiter already boasts a successful brand in myDermRecruiter, the #1 Dermatology Recruitment Firm in the Nation. With over 20 years of recruitment power behind us, we have the network and resources you need to hire top talent!

Unmatched Advertising Power

Due to aggressive advertising power and an unmatched database of candidates who are actively and passively seeking new Orthopedics careers, we offer incredible visibility for your opportunity. We put your opportunity in front of the eyes of every qualified candidate we can via our:

- Proprietary Job Board
- Social Media Posts
- Physician Job Board
- AAOS Meetings
- Direct Email Campaigns
- Exclusive Relationships

100% FOCUS IN THE FIELD OF ORTHOPEDICS

Unlike other agencies, we focus 100% of our recruitment efforts in the field of Orthopedics. We know the trends in Orthopedics, we know what is competitive and we help manage the recruitment process with you step by step!

EXTENSIVE SCREENING

Hiring managers can't have the same transparent discussions we can with a candidate. That straightforward communication with candidates allows us to determine if they are the best match for your opening, culture, and mission.

A NO-RISK PARTNERSHIP

myOrthoRecruiter is a contingency-based recruitment firm which means we don't receive compensation until we've successfully placed a talented provider with your practice. There are no upfront costs to you.
